Ms. Rogers,

Thank you for the personnel information you provided in response to our October 26, 2004, request. We have no further questions pertaining to Mr. Malik's position or qualifications; however, we need additional information about Mr. Murthy.

1. If Mr. Murthy will no longer be working in his current capacity after certification, to whom will SkyLink's key technical personnel report?
2. According to Mr. Murthy's resume, he was President of BLR Group for 9 years. What is the business of this company?
3. Will Mr. Murthy continue to be employed by SkyLink after certification? If so, will he continue to hold a senior level position with the company and what position would that be?
4. Are both Mr. Murthy and Mr. Malik U.S. citizens. If not, please indicate their citizenship.

We appreciate your prompt response to these questions.
